Welcome to Taps,  
the hearth of Fort Worden’s  
Historic Gathering Place.

A place to visit, connect and unwind while enjoying a distinctly Northwestern experience featuring local, seasonal and sustainable fare. A place where echoes of the past and voices for the future converge. We hope you’ll feel welcome and stay a while.

Taste of the Northwest
This area is nationally recognized for its vibrant local food system and every item on our menu features at least one local purveyor. Some of our local vendors will include: Hamma Hamma Seafood, Mystery Bay Cheese, Spring Rain Farms, Red Dog Farm, Finn River Cidery, Port Townsend Brewing and Mount Townsend Creamery.

A Tidbit of Our History
The guards posted at the Guardhouse oversaw the jail and patrolled the fort to ensure there were no unwanted visitors. Soldiers posted at the Guardhouse played “Taps” on bugles every night at 10 pm every day to signal lights out. The building remained in use until 1953 when the fort was decommissioned.

The Guardhouse, once a 25 bed jail, is a place to shed your shackles and unwind.
